Good afternoon Professor,

I'm emailing you to request an excused absence from the 15-23 of this month as I have to leave the country to attend my sister's wedding as she is marrying a foreigner. Just so you know, my initial reaction to this was that I didn't want to go as it's clearly during school but I didn't have much of a choice and it'd be sad to miss my only sibling's wedding. An excused absence for the in person discussion and a chance to complete the work online would be greatly appreciated and ease my first month of school. I can provide proof of the flight if needed.

Sincerely,  
John Valencia
